Objective

Focused, intelligent and highly motivated. I am a **creative**, hard working and competent individual that strives for **excellence** in every venture I undertake. I am committed and **driven** and will consistently endeavor to meet and develop my potential. I have the fine balance of creativity and logic, which allows me to approach, analyse and complete tasks **productively** and effectively.

Transitioning from one specialized industry to another is challenging but rewarding. I believe in doing so it presents my **flexibility**, adaptability and drive to succeed in an every changing world.

With a unique collection of life experiences I am able to bring a **fresh energy** to the suited role. This, combined with my technical knowledge, thorough comprehension and efficient practice makes me an **ideal employee** for your company.

Experience

Front End Developer   **06/2020 - Present**

As a newcomer to an ever-expanding industry my experience with front-end development spans purely the scope of the course I am currently in the process of completing. With an interest in computing, networking and programming spanning over 15 years I can confidently declare this is a passion, a skill and a career for me.

My most recent work can be viewed here:

Education

Coding Institute - https://codeinstitute.net

FULL STACK DEVELOPMENT (Level.5 Diploma)　　　　　**May 2020 – Present**

In May 2020 I made the conscious decision to change career and train in Full Stack Development. I chose Code Institute as they offered the best and most industry related training available. During this time I completed a rigorous course and developed 4 major projects. Code Institute educated, trained and assessed me to the highest standard in both Front End and Back End projects and encouraged me to produce the best work possible.

Liverpool Institute for Performing Arts

First Class Honors - Performing Arts (Dance)　　　　　**August 2008 – June 2011**

During my time at LIPA I achieved the highest grade available and studied for 3 years. In this time I learnt not only the fundamentals of dance and the performing arts but also highly transferable skills. The education allowed me to operate as a self-employed professional for over 10 years within a highly competitive and challenging industry.

St Mary's College

3 x A-Levels: I.T | ENGLISH | DANCE　　　　　**September 2006 – September 2008**

<u>HARD SKILLS</u>	<u>SOFT SKILLS</u>
Profficient in: • 　　HTML5, CSS3, Javascript • 　　Bootstra, Js.Node and React.	Languages: • 　　English (Native Speaker) • 　　German (B2) • 　　Italian (Basic)
